This is a week-to-week vehicle rental agreement. The rental begins on the Pickup Date and Pickup Time listed in this Agreement.

Rent is due every seven (7) days thereafter on the same day of the week and at the same time as the Pickup Date and Pickup Time, unless otherwise agreed in writing.

This Agreement automatically renews in successive seven (7) day periods each time a weekly payment is accepted, unless the vehicle is returned and accepted by Owner or the Agreement is otherwise terminated according to its terms.

This is not a fixed-term rental with a guaranteed final return date unless Owner and Renter separately agree to one in writing.

Rent remains due each week unless and until the vehicle is physically returned to Owner and accepted by Owner.

3. Rental Rate and Payment Terms

The weekly rental rate is **\$400.00 per week**, unless otherwise agreed in writing.

All rental payments are due in advance on the same day each week corresponding to the Pickup Date.

Any late payment is a material breach of this Agreement and may result in:

- a **\$50.00 late fee**;
- termination of the rental; and/or
- lawful recovery of the vehicle.

No refund is owed for unused rental time after a rental week has started, except as otherwise required by applicable law.

4. Security Deposit

Security Deposit Required: Yes / No

Amount (if any): \$_____

If no security deposit is collected, Renter remains fully responsible for all unpaid rent, late fees, tolls, tickets, violations, damage, cleaning charges, towing, recovery costs, insurance deductibles, loss, or theft.

5. Authorized Driver

Only the Renter named in this Agreement may operate the vehicle unless Owner gives prior written approval for an additional driver.

Renter may not lend, sublease, assign, or otherwise transfer possession or use of the vehicle to any other person.

Unauthorized use is a material breach of this Agreement.

6. Driver License and Eligibility

Renter certifies that their driver's license is valid, current, and not suspended, revoked, or restricted in a manner that would prevent lawful operation of the vehicle.

Renter agrees to immediately notify Owner if their license status changes or if any legal or medical restriction arises that affects their ability to drive lawfully.

7. Prohibited Uses

The following uses are prohibited:

- illegal activity of any kind;
- reckless, careless, or negligent driving;
- racing, speed contests, or stunts;
- towing or pushing other vehicles or trailers unless approved in writing;
- operation while under the influence of alcohol, drugs, or any impairing substance;
- use by an unauthorized driver;
- use outside the State of New Jersey without prior written approval from Owner; and
- use in violation of this Agreement or any law.

A violation of this section is a material breach of this Agreement.

8. Out-of-State Use

Out-of-state travel is prohibited unless approved in writing by Owner.

Unauthorized out-of-state use may result in a **\$100.00 out-of-state violation fee**, termination of the rental, and lawful recovery of the vehicle.

9. Insurance and Liability

Owner may maintain insurance on the vehicle as required by law, but such insurance does not eliminate Renter's responsibility under this Agreement.

Renter is responsible for all losses, damages, claims, costs, and liabilities arising from Renter's possession or use of the vehicle to the extent not prohibited by law, including but not limited to:

- damage caused by negligence, misuse, unauthorized use, or prohibited use;

- deductibles;
- excluded or uncovered losses;
- towing, storage, impound, and administrative costs;
- tolls, tickets, and violations.

If Renter is at fault in an accident, Renter is responsible for the insurance deductible of up to **\$1,000**, plus any uninsured or excluded losses to the extent permitted by law.

10. Tolls, Tickets, Violations, and Administrative Charges

Renter is solely responsible for all tolls, parking tickets, traffic violations, camera citations, fines, penalties, impound fees, and related charges incurred during the rental period, regardless of when such charges are issued.

Owner may charge Renter directly or invoice Renter for such charges, together with reasonable administrative fees associated with processing them.

11. Vehicle Condition, Maintenance, and Inspection

The vehicle is delivered in its current condition as shown in the pickup video recorded by Owner at or before the time of delivery.

By taking possession of the vehicle, Renter acknowledges that the vehicle's visible condition at pickup is as shown in the video recorded by Owner and accepted at the time of delivery.

Except as otherwise required by applicable law, the vehicle is rented **AS IS** and **WITH ALL FAULTS**. Owner makes no warranties, express or implied, regarding the vehicle's condition, performance, merchantability, or fitness for a particular purpose.

Owner is not responsible for losses, inconvenience, missed work, indirect damages, or other expenses caused by mechanical failure, breakdown, or warning lights arising during the rental period, unless caused by Owner's unlawful conduct or failure to provide the vehicle in a condition required by law.

Renter must immediately stop using the vehicle and notify Owner if any warning light, overheating, fluid leak, abnormal noise, drivability issue, or mechanical problem occurs. Continued operation after a known or suspected problem may make Renter responsible for resulting damage to the extent permitted by law.

Renter is responsible for any mechanical damage caused by misuse, neglect, unauthorized repairs, prohibited use, failure to report a problem promptly, continued driving after warning signs, lack of required fluids due to Renter's actions, collision, curb impact, road hazard, overheating, or operation contrary to instructions.

Owner may require the vehicle to be inspected, repaired, or removed from service at any time if a safety or mechanical issue is suspected.

For any rental lasting longer than thirty (30) days, Renter must present the vehicle every thirty (30) days, or sooner if reasonably requested, to a mechanic or repair facility designated by Owner for inspection, routine maintenance, and service. Renter agrees to make the vehicle available at the scheduled time and to cooperate reasonably with this requirement.

Owner is responsible for routine maintenance and normal service costs, unless the need for repair or service was caused by Renter's misuse, neglect, damage, prohibited use, accident, failure to timely report a problem, or continued operation after warning signs or mechanical issues arise. Failure to present the vehicle for required inspection or maintenance is a material breach of this Agreement.

12. Accident and Incident Reporting

In the event of an accident, theft, vandalism, collision, police stop involving impound risk, or other serious incident, Renter must:

- notify Owner as soon as possible;
- contact law enforcement when required by law or when reasonably necessary;
- provide photographs, location, and incident details;
- cooperate with Owner and any insurer in the investigation and handling of the claim; and
- not abandon the vehicle.

Failure to comply with this section may constitute a material breach of this Agreement.

13. GPS Tracking and Recovery

Renter acknowledges and consents that the vehicle may be equipped with GPS tracking, telematics, or other monitoring systems for location tracking, compliance verification, theft prevention, and vehicle recovery.

If Renter materially breaches this Agreement, Owner may recover the vehicle by lawful and peaceful means, to the fullest extent permitted by law. Renter is responsible for reasonable recovery, towing, storage, and related costs resulting from such breach.

14. No Smoking / No Vaping / No Marijuana Use

Smoking, vaping, marijuana use, or use of any tobacco or nicotine product inside the vehicle is strictly prohibited.

If evidence of smoking or vaping is found in the vehicle, including odor, ash, residue, burns, or debris, Renter agrees to pay a **\$100.00 smoking violation fee**. If cleaning or damage repair exceeds that amount, Renter remains responsible for the additional actual costs.

15. Vehicle Return Condition

Vehicle must be returned in substantially the same cleanliness and condition as delivered, normal wear excepted.

Excessive dirt, stains, odors, trash, pet hair, spills, or interior contamination may result in a cleaning charge of up to **\$150.00** or actual cleaning costs, whichever is greater.

16. Fuel Policy

Vehicle must be returned with the same fuel level as provided at pickup. If not, Renter will be charged for refueling plus a **\$25.00 service fee**.

17. Abandoned Vehicle

If the vehicle is left unattended, unpaid, or unrecoverable for more than forty-eight (48) hours without communication, Owner may treat the vehicle as abandoned to the extent permitted by law, and Renter remains responsible for all towing, storage, recovery, and related costs.

18. Personal Property

Owner is not responsible for personal property left in the vehicle. Owner may, but is not required to, make reasonable efforts to allow recovery of personal property left behind.

19. Payment Authorization

Renter authorizes Owner to charge or invoice any payment method on file for amounts due under this Agreement, including rent, late fees, tolls, tickets, administrative charges, cleaning charges, refueling charges, damage charges, towing, recovery, storage, and deductible amounts, together with supporting documentation when reasonably available.

20. Termination

This Agreement remains in effect until the vehicle is physically returned to Owner and accepted by Owner.

Owner may terminate this Agreement for material breach, including nonpayment, unauthorized driver use, prohibited use, false information, unauthorized out-of-state travel, abandonment, or other serious violation.

Termination does not relieve Renter of liability for obligations or charges arising before return and acceptance of the vehicle.

21. Indemnification

To the fullest extent permitted by law, Renter agrees to indemnify and hold harmless Owner, Vud00m Rental Cars LLC, and Anthony Daconceicao from claims, damages, losses, liabilities, and expenses, including reasonable attorney's fees, arising out of Renter's possession or use of the vehicle, except to the extent caused by Owner's own unlawful conduct or gross negligence.

22. Legal Fees and Collection Costs

If Owner must take action to collect amounts owed or enforce this Agreement, Renter agrees to pay reasonable attorney's fees, court costs, collection costs, and administrative expenses to the extent permitted by law.

23. Governing Law and Venue

This Agreement shall be governed by the laws of the State of New Jersey.

Any legal action relating to this Agreement shall be brought in a court of competent jurisdiction in New Jersey, unless applicable law requires otherwise.

24. Entire Agreement

This Agreement, together with any signed vehicle check-out/check-in form, payment receipt, and written addenda, constitutes the entire agreement between the parties.

No oral statements change this Agreement. Any modification must be in writing and signed by both parties.

25. Compliance With Law

Nothing in this Agreement is intended to waive any right or protection that cannot legally be waived under applicable law. Any unenforceable provision shall be limited or severed to the minimum extent necessary, and the remainder of the Agreement shall remain in effect.
